Congratulations SASD Competition Team

Our Competition Team is back on stage! They attended their first optional competition 3 weeks ago in Nashua NH and their first mandatory competition last weekend in East Haven, CT! Winning numerous top overall placements and studio awards including the Association of Dance Competition & Conventions STUDIO OF EXCELLENCE Award, given to one studio that promotes quality, integrity and opportunity in the dance competition world. Working together, striving for excellence and being a "well oiled machine" are all qualities GROOVE looks for when selecting their studio of excellence at each event.

THANK YOU FOR DONATING TO St. Jude!

This Sunday, March 3rd - SASD competition team members will perform on the St. Jude Telethon hosted at Torrington High School! This year we were able to raise a BIG donation amount and can't wait to share the news LIVE on channel 5! Make sure to tune in to SASD's time slot 2:30-3:15pm! We will be reading the names of every dancer who donated or purchase a T-Shirt at the end of our performance! If you've not got any plans on Sunday, consider stopping by the Telethon to grab a bite to eat, enter the phenomenal raffles, see the entertainment on stage LIVE all day long and enjoy the children's activities too! If you haven't had a chance to donate, SATURDAY 3/2 is your final chance. Send venmo to SASD OR purchase a t-shirt via email!
